

WEEK FOUR RECAP

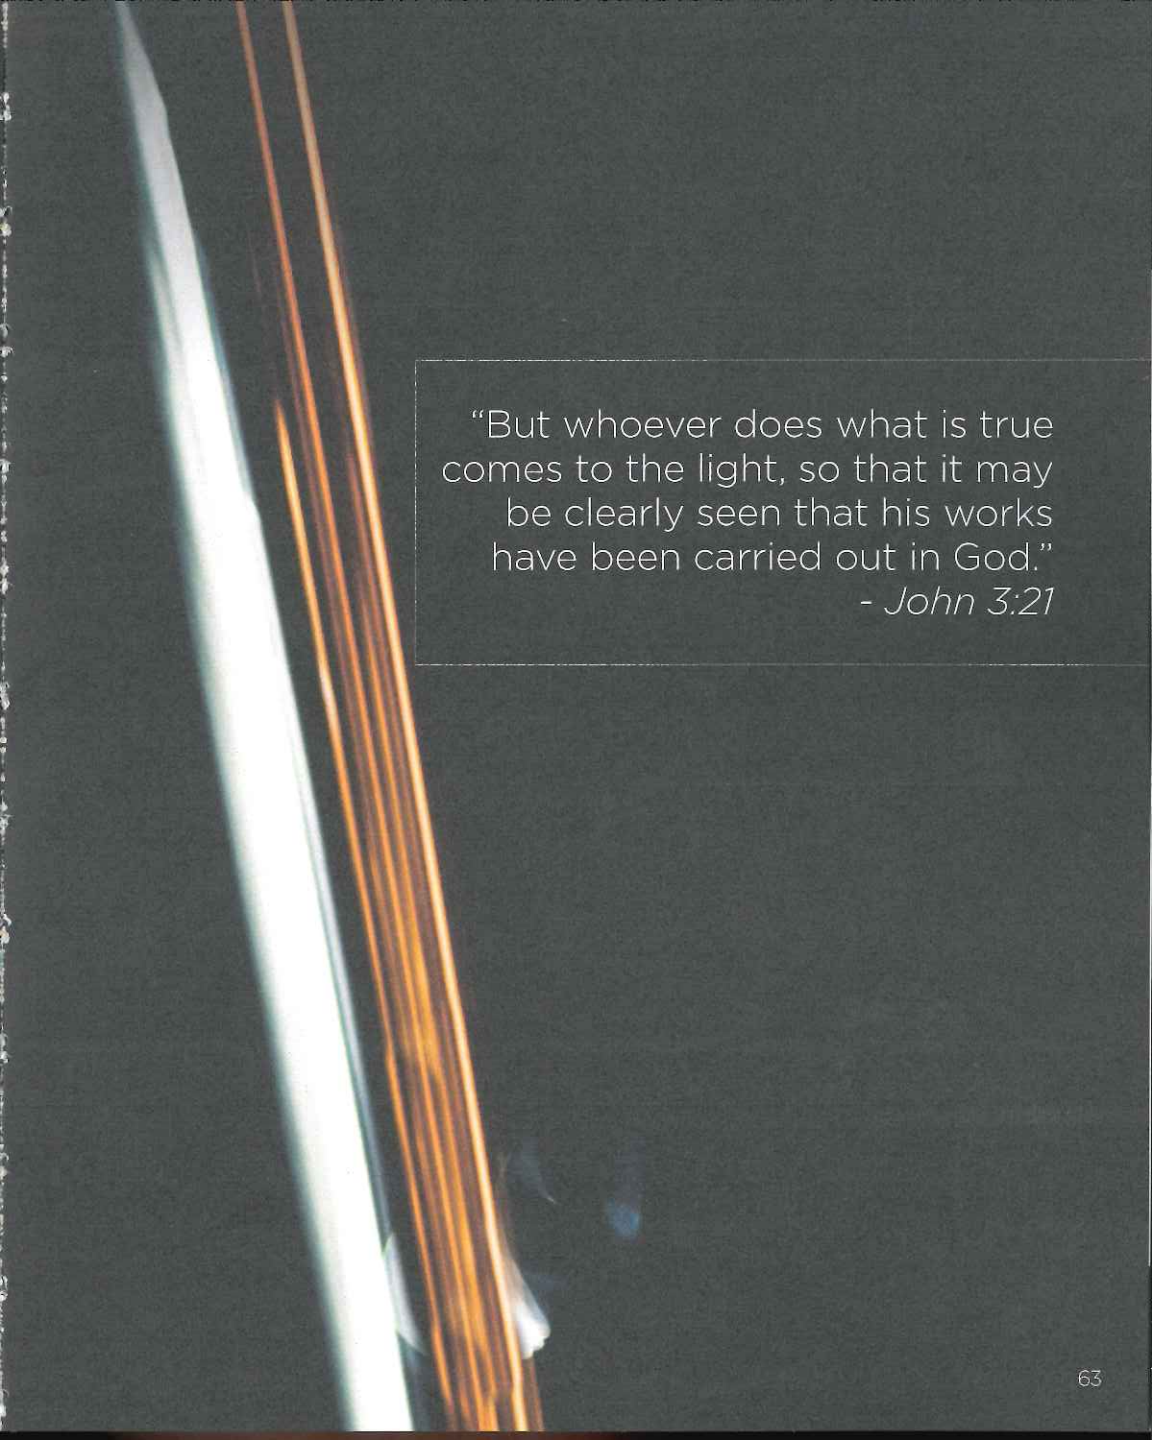

What a week. This week you were challenged to see your life as a light that shines for God in this world.

You learned that wicked hate the light, but the righteous love it. You learned the tough truth that light can't have fellowship with darkness. You considered what it meant that your life shines like the dawn to others, lighting their way and giving them hope.

It's a tall order, isn't it? The good news is that we don't do any of this in our own strength. We have God's Spirit in us to lead us to live lives that shine.

Trust in God.

Let Him lead you. And your life will shine with His goodness.

“But whoever does what is true
comes to the light, so that it may
be clearly seen that his works
have been carried out in God.”

- *John 3:21*
