

JESUS AND MEAN PEOPLE

youthministry360

Everyone has experienced them. Everyone knows how it feels to be on the receiving end of their special brand of attention. Of course, we're talking about mean people. No one is safe from their meanness, especially not teenagers. For so many reasons, mean people are a part of our teenagers' lives. And the biggest thing about mean people is that very rarely does one do anything to deserve their wrath. How should teenagers act in the face of the mean people who inhabit their worlds? Good thing Jesus had a lot to say about this.

Jesus and Mean People will help you teach your students that when people are mean to us for no reason, we should see it as a blessing, not a bad situation; that they're called to treat mean people with grace, and in so doing, identify themselves with God; that they are to have courage when facing mean people because the Holy Spirit is with them, always; and that Jesus modeled how we're to treat the meanest the mean of people in our lives.

Teach *Jesus and Mean People* to equip students to deal with the mean people in their lives with a Christ-like response.
